

### **Birmingham Training and Online School (BTOS)**

ensures the highest level of quality to meet the expectation of the accreditation bodies and OFQUAL (The Office of Qualifications and Examinations Regulation).

BTOS offers the qualifications that are recognized and accepted by a range of UK universities. Our mainstream qualifications are awarded by the OFQUAL approved awarding organizations.

BTOS ensures the quality at each stage of the qualification and information delivery to the learners. This process makes sure that the learners' needs, the awarding organization and other partners' expectations are met at the highest level. Regular meetings of the quality assurer with the trainers and assessors evaluate the potential issues and meet the quality needs.

BTOS has the policy to review the programs and the course materials on regular basis in order to make sure the potential delivery of the program outcomes.
