

Universidad Catholica San Antonio de Murcia (UCAM)

UCAM's teaching method is based on personalized attention with a reduced number of students per class and a personal tutor assigned to each student. UCAM also offers a modern system of distance teaching.

UCAM is strongly linked to the business world through study plans responsive to market exigencies, obligatory internships in public and private institutions and enterprises as part of every undergraduate and master's degree, as well as research programs in collaboration with large regional, national and multinational companies. also regarding human values by means of academic subjects, volunteering projects, meetings, congresses, and workshops.
