aida.ahmed@ufe.edu.eg

aidanayer@gmail.com

00201000775493

Cairo, Egypt

Professional Architect, and Researcher in Architecture and Urban Design. Professor and director of architecture program at UFE, French University.; Former Adjunct professor at AASTM and Nile University, NU, ARUD Program. Previously Faculty member for Architecture / Master of Urban Design programs, Effat University, KSA.

Ph.D. 2013 Alexandria University, Faculty of Engineering, with extensive experience in Professional Practice and Project Management in multi-national Architectural Consultation and Construction Projects. PI and CoI for Scientific Research Projects, Author for Publications related to sustainable built environment and urban development.

EDUCATION

Doctorate of Philosophy in Architectural Engineering

Faculty of Engineering, Architecture Dept.
Alexandria University

09/2006 – 06/2013

Alexandria, Egypt

Thesis Entitled:

- Contract Management Approach for Risk Assessment Modeling for Construction Contracts Management (EPC- FIDIC)

Master of Science of Information Technology

Graduate Studies and Research Institute,
Alexandria University

01/2000 – 12/2005

Alexandria, Egypt

Thesis Entitled:

- Decision Support System for BRT: Building Regulation Tester for Regulations in Egyptian Cities; Case Study: Alexandria

Bachelor of Science of Architectural Engineering

Faculty of Engineering, Alexandria University

09/1990 – 06/1995

Alexandria, Egypt

Housing and Urban Planning

- Graduation Project: Housing Settlement in Olympics sports City.

High School, Institution Sainte -Jeanne Antide

09/1987 – 07/1990

Alexandria, Egypt

franco-phone

- Alliance Française

TEACHING EXPERIENCE

Adjunct Professor - Professor

UFE, French University in Egypt.

Fall 2020 – Present March 2024- Director of Architecture Program Architecture

Achievements/Tasks

- Teaching Faculty for Architectural Design, Graduation Project 1
- Urban/ Regional Planning.
- Urban Design supervising students' projects.

Adjunct Professor - Associate Professor

NU, Nile University in Egypt.

Fall 2021 – Fall 2023

Architecture and Urban Design Program

Achievements/Tasks

- Teaching Faculty for Architectural Design Studios II and IV
- Building Types.
- Theory of Contemporary Architecture II.

Lecturer / Assistant / Associate Professor

BHI; High Institute of Engineering and Technology, Egypt

BHI Institute; Ministry of Education From 11/2011 – to 12/2024

Department of Architectural Engineering Achievements/Tasks

- Teaching Faculty for Architectural Design, Building Construction and Executive drawings courses.
- Environmental studies and management and Projects management and scheduling courses.
- Supervised graduation projects and evaluation assessment. Member of the Quality Assurance Committee for structuring and reviewing Architecture Program Curricular activities.

Assistant / Associate Professor

Effat University, College of Architecture and Design. Jeddah, KSA

From 02/2014 – to 08/2020

Architecture Program, Master of Urban Design

Achievements/Tasks

- I Taught Undergraduate Courses related to Architectural Design Studios and supervision of capstone thesis and final graduation projects.
- I developed Project Management Curriculum in accordance with PMI in 2018.
- I participated in Master of Urban Design Teaching courses and workshops as well as UN-Habitat challenges.
- Supervision of M.Sc. Thesis as well as reviewer in evaluation committees for different graduate researches.
- Member Of Architecture Program Review for National Accreditation NCAAA, as well as the NAAB Substantial Equivalency for National American Accreditation Board. [🔗](#)
- I acted as member of Master of Urban Design Program Review committee for National Accreditation NCAAA, Preparing the Courses Specifications, Learning outcomes and assessment measures.
- Chair of Student Committee under the Architecture and MUD Programs, I organized workshops, site visits, exhibitions and public lectures related to students and faculty development and collaboration for research. [🔗](#)
- Chair of Organizing Committee for Memaryat International Conference 2020, and member of the scientific committee for four consecutive years. I participated in different phases of conference activities establishment, reviewing and publishing.
- Member of Urban Lab and Construction and Material Lab. I prepared Workshop and potential MOU for collaboration with professional entities.

Adjunct Lecturer

October High Institute for Engineering & Technology

09/2013 – 01/2014

Architecture Engineering Department Achievements/Tasks

- Instructed Architectural Design Studio 2
- participated in the team of instructors for Final Graduation Project 2013-2014

RESEARCH PROJECTS and GRANTS

- KACST Project King Abdulaziz City for Science and Technology General Directorate of Research Grants Programs (165,000 SAR).
Topic: Investigating the adaptability of the traditional building techniques in Jeddah's new residential buildings (05/2017 – 05/2020)
- Co-Investigator as main role for preparing the project framework , specification outline and recruitment plan. Research Investigation and Publication Processes.
- SDME TAMAM [🔗](#) (05/2019 – Present)
- TAMAM team is an interdisciplinary team of faculty and students from Effat University that represents a diverse array of expertise and talent. The members of the team cover areas such as architectural and environmental design, solar energy, wind energy, power and control systems, smart homes
I have the Leadership role for Construction Management and Planning Team
- EFFAT UNIVERSITY Research Center Institution (RCI GRANT, 20,000 SAR) [🔗](#)
Topic: Spatial Consciousness Assessment Using Wearable Technology; Case Study: A responsive sense of place, Jeddah Corniche development. (05/2015 – 12/2016)
- Principal Investigator Role of Scientific framework design and implementation planning including team recruitment and resources. Monitoring project phases and analysis of outcomes and generated information in heritage context and social spaces investigated. Research outcomes include conference presentations and peer-reviewed publications.

LANGUAGES and SKILLS

English, Bilingual Proficiency - French, Bilingual Proficiency
Arabic, Native - Italian, Limited Working Proficiency

SKILLS

Digital Design Tools

Online teaching Platforms

Planning and Scheduling tools (MS Project)

Project Management

KPI Assessment Tools

Risk Management

Claims and Contract Management

Curricular Program Design and training material

PROFESSIONAL EXPERIENCE

SUMMIT for Management and Solar Energy (01/2021 – 2/2022)

Technical Office Manager – Part Time

Consultation for Architectural and refurbishment Projects (30m +)

Technical Office Manager / Conserv Engineering (01/2005 – 12/2011)

Conserv Group 

- I started the journey as Technical Office Engineer in 2005 for fast tracking projects related to construction and refurbishing such as Bahrain Embassy, with Davis Langdon as QS and owner representative.
- in 2009 I was responsible as technical office manager to work on contractual aspects for procurement, planning and detailing for different project phases for Banking Sectors such as Credit Agricole and Audi Bank and others.

Senior Architect / Shuttering Construction (01/2003 – 01/2005)

Safir Hotel , Dokki in Cairo. Refurbishment Project

- Technical Office Engineer, I prepared technical Drawings for different materials and assemblies for interior finishing works and landscaping.
- I studied project specifications and worked on procurement planning for different suppliers and subcontractors.

Project Engineer / Vacsera (02/2002 – 01/2003)

Ministry of Health, Project Management Unit

- I participated in the Planning for Health Care Design Projects for Clean Rooms, and Clinics in different regions Delta, Alexandria and Cairo Area.
- I prepared and reviewed Packaging Labs Quality Assurance Packages and Processes Statement of work, tender Documents for different projects in VACSERA Dokki.

Project Officer / Granita -Haz Consortium (01/1999 – 01/2002)

Stone Cladding and finishing Company

- Bibliotheca Alexandrina Project: Architectural Design Review, Detailing and coordination with factory Production. I prepared cutting List and confirmed site reports on regular progress. Claims and variations for Contract Closing.
- Four Seasons Nile Plaza Project: External Cladding and facade system Coordination. Customized internal finishing features, Other Local and other Public Projects in Middle East.

Kajima Corporation, Japanese Construction Company (01/1998 – 01/1999)

ANSDK Steel Factory Project

Dekheila, Alexandria

- I Prepared Technical coordination and Cutting List for Steel Fabrication.
- I was responsible for the weekly report and update of items progression for monthly report to Head Office in Cairo and Japan.

Dahab Design (09/1995 – 01/1998)

Interior Design and contracting Agency, Alexandria Egypt

- I was responsible for Client Requirements implementation in interior design detailing and modeling.
- Site Verification for Design Implementation, Preparing Itemized requirements according to market availability and pricing for Bills.

TRAINING AND CERTIFICATES

TOPIC	DATE	CONTENT
AUF, Moyen Orient, UFE	October 2025	Artificial Intelligence in Education and Research
Cairo University, Faculty and Learning Development Center	January 2025	برنامج: جودة الحياة الوظيفية- فن القيادة الفعالة- استخدام التكنولوجيا في التدريس- مهارات التدريس الفعال- المقررات الإلكترونية التفاعلية-
Center of Excellence in Teaching and Learning (CET&L) Effat University	May 2020	Blackboard online teaching and assessment
ADEEM Consultancy_EFFAT Uni	February 2020	Hands on Vernacular Architecture
Saudi Art and Culture Society-Effat Uni.	January 2020	Compositions and Creativity in Design
HEA Training Advanced Techniques in Higher Education and Innovation	January 2019	Higher Education Association _ UK Effat University
Adeem Consultancy Riyadh_KSA	March 2019	"Al Qurainah House: Appropriate Construction techniques."
Project Management Workshop Riyadh_KSA	March 2019	Dar Al-Riyadh: "How to promote Your career."
Cairo University	January 2018	Competing for research Funds
Cairo University	January 2018	International Publishing for Scientific Research
Center of Excellence in Teaching and Learning (CET&L) Effat University	January 2018	Information Technology Infrastructure Library (ITIL)
Smart Solutions Cairo	August 2017	Project Management Professional Certificate Preparation
Workshop Cardiff University UK	July 2015	Low Carbon Architecture Sustainable House.

VOLUNTEER EXPERIENCE

Member of Education Committee

PMI KSA Western Chapter

08/2019 – Present

Project Management Institute KSA Chapter

Tasks/Achievements

- I Participated in panel discussion on challenges in the profession held in Jeddah, KSA, October 2019.
- I volunteered as organizing member for the international Symposium on December 2019.
- I volunteered for the career day Exhibition and promoting Project Management training in Large Scale Projects
- I attended various training sessions related to topics of improvements and collaboration by different experts in the field of Arbitration, Risk Management. Communication planning and digital transformation. ☑

Volunteer Effat University

02/2014 – 06/2020

Tasks/Achievements

- I was Leader for Students volunteering in different Architecture clubs.
- I participated as Volunteering for Community day (year round activities).

Contact: Baiann Aldulijan – Student Life Assistant Manager, Deanship for Student Affairs, baaldulijan@effatuniversity.edu.sa

PUBLIC / GENERAL LECTURES AND WORKSHOPS

○ Pannel Discussion

PMI KSA Chapter Western Region_ PMI Member ID 5026018

Jeddah, KSA

05/2018 – Present

Tasks/Achievements

- Speaker: Lessons learned from Challenges of the profession, October 2019

Contact: Mohammed Abdulaal, PM. – Profile [linkedin.com/in/mohammed-abdulaal-pmp-82a8773](https://www.linkedin.com/in/mohammed-abdulaal-pmp-82a8773) Email: mabdulal@gmail.com

Summary of Activities

Date	Title	Role	Location
May 2025	Biennale de Venise , Pavillion de Paris	Exhibitor	Venice, Italy
April 2025	Conference on Natural Materials: The Stone, UFE	Organiser	Beit El Sennary,Cairo Egy
April 2020	BIM and Construction Projects Digital Transformation	attendee	Online BIG 5, UAE
March 2020	Online Assessment	attendee	Effat Uni.
January 2020	Quality Assurance Unit/ NCAAA Review	attendee	Effat Uni.
September 2019	Project Management in Education	attendee	PMI KSA Western Region
March 2019	Adeem Consultancy:	Organiser	Al Riyadh
March 2019	Dar Al Riyadh Project Management.	Organizer	Al Riyadh
February 2019	Heritage Conservation Workshop:" Quantifiable Cities."	Speaker	MSA Cairo Effat Uni.
May 2018	BIG 5: "FIDIC Risk Management in EPC Contracts.	Speaker	Jeddah
April 2018	Project Management in Large Scale Construction Sites: Al Jawhara Stadium	Organizer	Effat Uni.
March 2018	Workshop I for Waterfront Development : Jeddah	Organizer and speaker	Miami University, USA
February 2018	Workshop II for Waterfront Development : Cairo		MTI-HBRC Cairo Effat Uni.
February 2018	Lecture for Art and Culture in Jeddah	Organizer and speaker	Effat Library
March 2018	Green Architecture: Design with wind	Organizer and speaker	KACST Research Project-Effat Uni.
Spring 18	Design Competition for Society of Art and Culture Association SASCA	Organizer and Supervisor	SASCA_ EFFAT Uni.

October 17	Bridging the gap between academic learning and professional practice Real Estate Consulting and investments indicators in KSA Public Lecture for Master of Urban Design	Organizer	JLL Middle East Effat Uni.
Spring 17	Center for Islamic Studies in Spain		
16/3/2015	Urban Conservation for Historical Areas (Heritage)	ARCH Dep.	Effat Uni.
July 2015	Low Carbon Architecture Workshop	Organizer	Cardiff University UK

COMMITTEES AND ACTIVITIES

Coordination, INSA Strasbourg , Program d'Architecture

UFEID, Pluri-Disciplinary Lab UFE, 2024 till now

Scientific Committee ICUP International Conference Bragh, since 2016 till now,

Committee work related to teaching (for example: Curriculum committee/T&L standing committee)

University Council – College Council Department Representative.

Architecture Program Review Committee, Msc Program NCAAA Committee and Ph.D. Program Committee

NAAB Accreditation (National Architecture Accreditation Board]

Memaryate International Conference and Exhibition

Student Committee introducing activities and workshops:

Research Committee-Urban Lab Committee

Project Management Institute KSA Chapter Western Region: Students and training Committee

TEACHING MATERIALS

Final Graduation Project, INSA/UFE,
Urban Management and Landscape
Project Representative Course Material
Contemporary Architecture
People Centered Design Theories
Project Management
Facilities management
Architectural Design Studios
Capstone Preparation and Graduation Projects
Creativity & Innovation
Urban Design Global Practice-Graduate M.Sc. Program
Design Fundamentals-General Education
Codes and Regulations
Building Construction Modules
Executive Drawings
Urban Design / Regional Planning

Description of technology used in teaching

- Virtual Classes on Blackboard, Zoom and MS Teams.
- Lectures and discussions
- Class participation for development points including Training by Monshaat.
- FIDIC Contract_Professional Practice tutorial on LinkedIn.
- Saudi Contract Analysis session and MASHROAT From Ministry of Planning Sessions
- Tutorials for Planning MS PROJECT
- Site visits reporting and documenting:
(Abu Dahbi Airport, BIM Workshop_Riyadh Metro , KAIA Terminal – GACA and others)
- Projects management systems presentations and workshops PMI KSA Symposium 2019
- Lecture invitation for Experts in the field Effat university sites visit
