## Specialisations & Future Planning

### Specialisations & Current Focus

### Future Planning for Academic Excellence

- Pursue professional body recognition by Malaysian Institute of Planners & Town Planning Board as MIP Corporate Member which carries TPr. (Registered Town Planner) title.
- Enhance myself to become a 3R researcher – to be recognised nationally and internationally.
- Extend my expertise and offer assistance to other colleagues (e.g. young lecturers) and students as well.
- Give efforts and to be able to contribute to the relevant research development of TN50: A new vision for the Malaysian nation.

### Recent Research Activities:

Title: Spatial characterisation of human mobility in urban areas: Case studies of Malaysia and Saudi Arabia

This research will be conducted at the Center for Population Studies, King Saud University, Riyadh

Under Sabbatical Leave Programme:  
July 2017 – April 2018
